An act to add *and repeal* Section 3055 to of the Penal Code, relating to parole.

LEGISLATIVE COUNSEL'S DIGEST

AB 1998, as amended, Chan. Parole: prerelease program: Alameda County.

Existing law authorizes the Department of Corrections and Rehabilitation to establish 3 pilot programs that provide training and counseling for female parolees to assist in their successful reintegration into the community.

This bill would require the department to contract for the establishment and operation of a 3-year prerelease parole pilot program in Alameda County for male and female offenders *who were convicted of a nonviolent offense*, in order to provide coordination between departmental and community service providers to ensure that offenders transition smoothly from services during incarceration through reentry programs. The bill would ~~require 2 evaluations of the program to be given to the Legislature and the Governor by January 1, 2011~~ *require the contractee to report to the Legislature and the Governor on the cost effectiveness of the program by January 1, 2010.*

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*
